**ednet** Dash Cams  
& IP Cameras

**ednet.**

**Record.  
Save.  
Have fun.**  
The ednet Dash Cam.

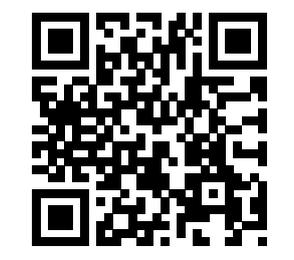

### The trend from the USA

More **driving pleasure** while driving! Your "digital witness" records the **driver's field of vision** during the journey. The camera can be easily attached to the windshield with the suction pad (included) and supplied with power via the cigarette lighter. If the memory card is full, the **Dash Cam** automatically overwrites the oldest videos with new material.

The **ednet Dash Cam** is your versatile companion on the go! It allows you to make recordings of the route for private purposes.

### Dash Cam | Full HD - 87230

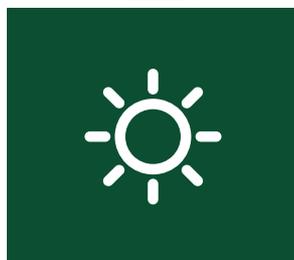

#### Record. Save. Have fun.

The **Dash Cam** records the driver's field of view and scores extra points with its **Full HD resolution** as well as many extra features, e.g. **powerful night vision LEDs**, a **3x zoom** and **motion detection**.

- High video resolution, Full HD 1080p (1920 x 1080)
- 3x digital zoom
- 120 ° wide-angle glass lens
- 2" LCD screen

- HDMI port
- G-sensor
- 12 MP

**Record. Save. Have fun.**

The **Dash Cam HD** by ednet is the new **entry-level model** for all users who want to try out an auto camera the first time, or all users who are especially looking for an inexpensive alternative. The **Dash Cam HD** offers a **video resolution** of **720p** and provides images in **HD quality**. It becomes your digital witness on action-packed routes or in rapid curves. This way, you get material for your own first "road movie".

- An auto camera in a small, unobtrusive design
- High video resolution, 720p HD (1280 x 720)
- 3.0 megapixel photo resolution
- 2.4" LCD screen
- 70° wide-angle lens
- 3 MP
- G-sensor

## Dash Cam Mini | Full HD - 87232

**Record. Save. Have fun.**

The new **Dash Cam Mini, Full HD** is the little brother of the popular auto camera (87230) from ednet. The camera comes with all of the **benefits** of the ednet Dash Cam, but it is **smaller** and more **unobtrusive**. Therefore it is the **ideal companion** for any car journey. Whether on holidays or business trips, the **ednet Dash Cam Mini** reliably records your journey in **Full HD**. You can also access the interval or long duration recording modes.

- An auto camera in a very small, unobtrusive design
- High video resolution, 1080p Full HD (1920 x 1080)
- 12.0 megapixel photo resolution
- 120° wide-angle glass lens
- 2" LCD screen
- G-sensor
- 3 MP
