DIGITUS® Computer housing with in-built filter fan and levelling feet

DN-CC 9002

EAN 4016032211143

Computer case with levelling feet, 670x300x600 mm inner dim. 581x292x550mm, glass door, fan, RAL7035

The computer housing from DIGITUS® features robust construction made of 1.5 mm thick steel sheet, which leaves nothing to be desired in terms of value. The built-in filter fan ensures adequate ventilation and heat dissipation. Thanks to the integrated filter, dust and dirt are kept out to protect the electronic components within the housing. The front and back doors can each be locked. Connection cables can be fed in through an opening in the base or an opening in the roof, with integrated foam rubber seals also increasing protection against dust and foreign objects. The sturdy leveling feet ensure secure positioning and optimal adjustment to the ground surface. The housing is perfectly suited for production lines, warehouses, laboratories and other similar fields of application.

Computer housing with active ventilation including filter system, and levelling feet

- 1.5 mm strong sheet steel with high load capacity, powder coated
- 110° door opening angle
- fixed side panels with rivets
- top and base chassis with sliding cable entry panel with rubber sealing
- Inner dimensions: 581x292x550 mm
- Framed and lockable safety glass front & steel door
- Air flow: 2.3 m³ per minute
- Noise level: 47 dBm
- Protection type: IP54

Attributes

- Bočne ploče: Obje strane
- Boja: svijetlo siva, RAL 7035
- Dubina: 600 mm
- Jedinice: 0
- Kapacitet opterećenja: 50 kg
- Prednja vrata: Staklena vrata, jednostruko otvaranje
- Širina: 300 mm
- Stražnja vrata: Čelična vrata, zatvorena, jednostruko otvaranje
- Vrsta ormara: PC kućište
- UV-C disinfection: Ne
- Data synchronisation function: Ne
- IP klasa zaštite: IP54
- Montirano: Da

Package contents

- Levelling feet
