Dual Monitor Stand 15-32", 2x 8 kg (max.), black

With the dual monitor stand from DIGITUS® you can conveniently position two monitors of sizes 15" - 32" on your desk. The quick-release function also makes it easier for you to install the monitors. The VESA mount is simply pushed into the corresponding holder and fixed in place with a screw. You can easily adjust the monitors to suit your needs and can swivel, tilt or rotate the monitors themselves, e.g. for portrait format monitors. You can also set a height adjustment of up to 40 cm. In addition, the monitor cables can be neatly routed through the cable guides supplied. Do something good for yourself and your health by optimally adjusting the monitor to your body and sitting position.

The dual monitor stand offers you the option of individually aligning monitors from 15" - 32". Panning, tilting, rotating and height adjustment of the monitor is possible. With quick-release function for quick and easy installation.
