DIGITUS® Single monitor mount, 32", 8 kg

DA-90399

EAN 4016032465164

Single Monitor Clamp Mount 15-32", 8 kg (max.), black

With the universal monitor mount from DIGITUS®, you can conveniently attach a 15" - 32" monitor to your desk using a clamp mount. The quick-release function also makes it easier for you to install the monitor. The VESA mount is simply pushed into the corresponding holder and fixed in place with a screw. You can easily adjust the monitor to suit your needs and can swivel, tilt or rotate the monitor itself, e.g. for portrait format monitors. You can also set a height adjustment of up to 31.5 cm. In addition, the monitor cables can be neatly routed through the cable guides supplied. Do something good for yourself and your health by optimally adjusting the monitor to your body and sitting position.

The desktop mount offers you the option of individually aligning monitors from 15" - 32". Panning, tilting, rotating and height adjustment of the monitor is possible. With quick-release function for easy installation.

- Suitable for monitors from 15" to 32" in size
- Maximum load: 8 kg
