DIGITUS® 20W USB Charger, 1x USB-C, 1x USB-A

DA-10300

EAN 4016032505808

USB Charger, 20W 1x USB-C, 1x USB-A, White

This compact 20-watt USB charger combines modern design with cutting-edge technology. Equipped with a high-performance USB-C port (up to 20 watts) and a USB-A port (up to 18 watts), it offers maximum flexibility for a wide variety of devices. Even when both ports are in use simultaneously, the charger delivers up to 15 watts of total power—ideal for charging a smartphone and headphones at the same time, for example. Thanks to its well-thought-out design and efficient technology, the charger operates with exceptional reliability. Compared to conventional models, it stands out with its compact design and efficient energy utilization—ideal for travel, the office, or everyday use at home. A special highlight: The housing is made of 98% recycled PCR (post-consumer recycling) material, and the packaging is 100% plastic-free. Its universal compatibility makes the charger an all-rounder for smartphones, tablets, Bluetooth headphones, and more. Just plug it in and charge worry-free—that's how simple modern power supply can be. With its rugged, space-saving design, the charger fits in any bag and is always within reach, whether you're on a business trip, on vacation, or out and about in your daily life. A charger that combines performance and safety in a compact design—for everyone who expects more.

20 W of power for fast, safe charging of two devices at the same time—compact, efficient, and ideal for home and on the go.

- Maximum power per port: USB-C max. 20W, USB-A max. 18W
- Multi-Device Charging (2 Ports) USB-C + USB-A: 15W max.
- Plastic housing made from 98% recycled PCR material
- Plastic-Free Packaging
- Protection against overcurrent, short circuits, and overheating
- Input Voltage/Rated Current/Frequency: 100–240 V / 0.8 A / 50/60 Hz
- Average active efficiency: 85.5%
- Power consumption in standby mode: 0.1 W
- Product Color: White
- Dimensions: 3.9 x 8.4 x 2.7 cm
- Weight: 57 g

Attributes

- Vrsta: Punjač/napajanje

Package contents

- USB charger
- User Manual

Safety notes

- Use charging adapters or power supply units in accordance with the instructions in the operating instructions to ensure optimum performance.
- Connect the charging adapter to an easily accessible socket in the voltage range between 100-240 V AC.
- Disconnect the charging adapter from the socket after use.
- Do not use the charging adapter with electronic devices that are outside the specifications of the charging adapter.
- Do not expose the device to rain, moisture, vapors or liquids.
- Do not insert any objects into the device.
- Do not attempt to repair the unit or open the housing without authorization. You risk an electric shock!
- Ensure adequate ventilation to prevent damage due to overheating.
- Dust, moisture, vapors and strong cleaning agents or solvents can cause damage to the device.
- Disconnect the appliance from the power supply and the connected devices before cleaning.
- Clean the device with a dust-free cloth.
