DIGITUS Full HD Webcam 1080p with Autofocus, Wide Angle

DA-71901
EAN 4016032467588

Full HD 1080p Webcam Auto focus, Wide view angle

The high-resolution DIGITUS® Full HD Webcam with automatic focus always produces a crystal-clear image. It provides you with a steady stream of 30 frames per second that is always well lit thanks to the auto white balance (AWB) and wide dynamic range (WDR). The automatic focus range starts at 7cm and has no upper limit. Thanks to the integrated stereo microphone, you are perfectly equipped for video calls, video conferences and social media posts. Installation on your monitor is very easy, you can use the rubberized clamp mount or alternatively the integrated 1/4 inch screw thread, for example with mini tripods. You can rotate the webcam horizontally 360° and it can also be inclined upwards or downwards, ensuring an optimal configuration at any position on your desk or monitor. The DIGITUS® Full HD Webcam is ideal for home and office complications and simple to use: just plug it in and get started, Plug and Play.
