DIGITUS 4-way office socket strip with 2x USB ports

DA-70614
EAN 4016032443216

4-way Office Power Strip with 2x USB On/Off Switch, Alu-housing, USB out: 5V/2A, bl/si

Forget times of searching your mobile charger constantly. The DIGITUS® socket strip offers 2 USB ports where you can charge your Smartphone, Tablet or Digital Camera. You can even charge 2 devices simultaneously. Use all safety sockets without connecting problems because of the smart 45° degree layout. You can even use bigger and bulky right angle plugs without blocking or covering the other nearby safety sockets. Furthermore you have the opportunity to set up the socket strip variably and fix it on demand by the clamping assembly perfectly to your location. A space-saving wall-mounting is also possible by using the prefabricated mounting holes. Protect yourself and your family from electric shocks with the integrated shutters and the resulting increased protection against accidental contact of the protective contact sockets. A big range of placing the socket strip is provided by its 1,5 m mains. The valuable aluminium housing and noble design complete this multi-function safety socket strip.

4-way socket strip with two additional USB charging connectors for mobile devices in a high quality aluminum casing

- 4x safety sockets in a 45° layout, also suitable for right angle plugs
