

Digitus® Fan unit for variable 483 mm (19") installation

DN-19 FAN-2-HO

EAN 4016032174240

**Ventilation unit for 483 mm (19") installation 2 fans, thermostat, switch, grey (RAL 7035)**

Also known colloquially as slide-in fans, the fan units can be mounted variably in the 19" grid of any network or server rack instead of under the roof. The scope of delivery includes mounting brackets for easy attachment in the 19" profile. Equipped with an ON/OFF switch and a shelf-mounted thermostat, each fan unit offers the best operational readiness according to individual requirements. The model is available in the standard colors grey (RAL 7035) and black (RAL 9005), optionally equipped with two or four fans.

DIGITUS® 483 mm (19") accessories are designed to meet the high demands of IT infrastructure and are manufactured to German quality standards.
