

DIGITUS® USB 2.0

AK-300105-010-S
EAN 4016032283669

USB 2.0 connection cable, type A - B M/M, 1.0m, USB 2.0 conform, bl

Digitus USB 2.0 connection cable (type A - B M/M, 1.0m, USB 2.0 conform, black) is a high-quality cable designed for reliable data transfer between USB devices. The cable features a USB A plug on one end and a USB B plug on the other, both with nickel-plated connector surfaces for enhanced durability. The cable is double-shielded to minimize electromagnetic interference and is housed in a molded hood for protection. It is packaged in a polybag and is compliant with USB 2.0 standards. The wire material is copper (CU) and the length is 1.0m.

Attributes

- Assortment: USB Cables
- AWG: 28
- Color cable: black
- Color connector: black

- Connector 1: USB A, plug
- Connector 2: USB B, plug
- Connector surface: nickel-plated
- Hoods: molded
- Packaging: Polybag
- USB compliance: USB 2.0
- Wire material: CU
- Length: 1m
- Shielding: Double shielding

Safety notes

- When plugging and unplugging the cable, only grasp the plug and do not pull directly on the cable.
- Cables must not be kinked sharply or bent at tight angles, as this can damage the inner wires and lead to failures.
- Make sure that the cables are not under tensile load, as this can damage the insulation and the wires inside the cable.
- Ensure that cables are not laid in areas where they can be easily damaged mechanically.
- Cables should not be used in environments with extremely high or very low temperatures. Observe the product information on the maximum operating temperature of the cable
- Check cables regularly for visible damage such as cracks, kinks or signs of wear. Defective cables should be replaced immediately to avoid failures, short circuits or even electric shocks.
