

# DIGITUS Wall Mounting Cabinets - Slim

DN-19 WM-3H3V-SL  
EAN 4016032383116

## Wall mounting cabinet, slim, 900x600x200 mm 3U horizontal and 3U vertical, grey (RAL 7035)

The 483 mm (19") wall mounting cabinets of the slim series allow a horizontal or vertical mounting of 3U with two independent mounting areas for patch panels, switches, routers or other 483 mm (19") active components.

### Slim design with rotating mounting profiles inside

- 1.0 - 1.5 mm strong steel sheet
- 2x 3U usable mounting areas
- Mounting areas can be turned by 100°
- Punched out cable entries with plastic cover on all sides (145x70 mm)
- Bottom is prepared for fan units
- Lockable front door with air ventilation slots
- Several cable fixing points for a neat cable management

- Maximum equipment mounting height inside (from top profile to base): 650 mm

### Safety notes

- Ensure adequate ventilation to prevent the installed devices from overheating.
- Network cabinets should not be overfilled and the ventilation openings must not be blocked.
- Cables should be laid neatly and organized in cable ducts or trays.
- Use surge protection devices to protect sensitive devices from power surges or lightning strikes.
- Avoid moisture or wetness while observing the respective IP protection class.
- Ensure that the cabinet and the devices used are properly earthed.
- In regions with frequent thunderstorm activity, professional lightning protection should be integrated into the power supply.
- To avoid uneven loading, always mount the heaviest units at the bottom of the cabinet.
- Disconnect the installed devices from the power supply during maintenance or installation work.
