

# DIGITUS USB Type-C™ - HDMI + VGA Adapter

DA-70858  
EAN 4016032451525

**USB Type C to HDMI + VGA Adapter 4K/30Hz / Full HD 1080p, black**

The USB Type-C™ - HDMI + VGA video adapter extends your USB-C™ device with two video ports (HDMI and VGA). Connect an additional TV set or monitor to your laptop or hold a presentation with a projector. The highest possible resolution is UHD (4K/30Hz). You can use an additional monitor provided two monitors are connected, with the HDMI port having the priority. The video adapter is suitable for all operating systems: Windows, Mac, Google Chrome.

**Extends your USB-C™ device with two video interfaces (HDMI and VGA)**

### Safety notes

- Overloading can lead to overheating and damage to the appliance or the connected peripherals.
- If necessary, use an external power supply to ensure stable performance.
- If devices such as external hard disks or printers that require a high power consumption are connected, the device should be used with an external power supply. Otherwise, the device could be overloaded or functional problems could occur.
- Do not expose the device to rain, moisture, vapors or liquids.
- Do not insert any objects into the device.
- Do not attempt to repair the unit or open the housing without authorization. You risk an electric shock!
- Ensure adequate ventilation to prevent damage due to overheating.
- Dust, moisture, vapors and strong cleaning agents or solvents can cause damage to the device.
- Disconnect the appliance from the power supply and the connected devices before cleaning.
- Clean the device with a dust-free cloth.

### EU responsible person
