DIGITUS® Cable management duct

DA-90450

EAN 4016032481836

Cable Management Tray, Under-desk black

This under-counter cable management tray offers plenty of storage space for cables, socket strips and more. Made from powder-coated steel, it is robust and durable. The open design makes it easy to route and store cables/socket strips. The channel can be attached to a sit-stand desk as well as a conventional desk. Sufficient space is created for power cables, network and computer cables. The cable management allows the sit-stand desk to be moved while preventing damage to the cabling. The simple appearance fits perfectly with a clear, open design of your workplace.

Provides space for stowing cables and socket strips - for individual under-desk mounting

- Clean design: Hides cables and power lines for a clean work area
- Easy installation: screw mounting under the desk enables quick installation
- Perfect accessory for height-adjustable desks - tidy work area and prevents damage to cabling at the same time
- Dimensions: W 60 x D 13.5 x H 10.8 cm
- Weight: 1.1 kg
- Color: Black
- Material: Steel
- Surface: Powder coating
- Mounting type: Substructure - Desk top

Attributes

- Color: black
- Style: Cable routing

Package contents

- 1x cable management channel
- 1x mounting material
- 1x QIG

Safety notes

- Use only the power supply that is included or specified.
- Use only in dry indoor areas; IP20 means no protection against water.
- Do not use the power supply, cable, or light fixture if they are damaged.
- Do not cover the light; ensure adequate heat dissipation.
- Do not use in damp environments, near water, or outdoors.
- Do not attempt to repair or modify the electrical components yourself.
- Securely attach the light; use the clamp only on suitable tabletops.
- Lay the cables so that there is no risk of tripping, pinching, or tension.
- Do not look directly at the light source from a short distance for an extended period of time.
- Unplug the device from the power source before cleaning it.
- Do not exceed the maximum load capacity.
- Install only on suitable surfaces with sufficient load-bearing capacity.
- Use the included mounting hardware only if it is suitable for the surface; otherwise, select appropriate fasteners.
- Check the screws regularly to make sure they are tight.
- Do not use the product if the mount, screws, clamping mechanism, or straps are damaged.
- Secure installed equipment to prevent it from falling.
- Route the cables so that no tensile forces are applied to the mounting bracket or the device.
- Install only as directed; if in doubt, consult a qualified person.
- Install only under suitable tabletops.
- Specify the maximum load capacity and do not exceed it. If not yet specified, add this information.

- Do not use the drawer or shelf as a handrail, step, or support.
- Check the screws regularly.
- Be aware of pinch points when opening or closing.
- Distribute heavy objects evenly.
- Keep small parts and assembly materials out of the reach of children.
- Install the cable channel/cable guide only as specified in the installation instructions.
- Do not overload the unit; do not loosely insert heavy power supplies or power strips if the mount is not designed to support them.
- Do not kink, crush, or install power lines while they are energized.
- Route cables so that they are not pinched, stretched, or damaged when adjusting the height of desks.
- Ensure adequate ventilation for power supplies and power strips; prevent heat buildup.
- Do not continue to use damaged cables.
- Keep Velcro tape and cable sleeves out of the reach of small children; do not use as toys.
- Avoid sharp edges when cutting.
- Do not exceed the maximum load capacity.
- Use only on a level, non-slip surface.
- Do not use as a ladder, step, play equipment, or carrying aid.
- Do not stand on the seat.
- Because the base is movable/tiltable, make sure it is stable.
- Not suitable for use by children without supervision.
- Before use, check that the seat, footrest, gas spring, and connections are properly installed and undamaged.
- Do not open, heat, damage, or attempt to repair the gas spring on your own.
- Do not continue to use the product if you hear unusual noises, if it feels unstable, or if any parts are damaged.
- Follow the installation instructions.
