DIGITUS® 10" 2.5G 8-Port Unmanaged PoE+ Switch with 1× 10G SFP+

DN-95333

EAN 4016032508762

10 inch 8-Port 2.5G Unmanaged PoE+ Switch 80 W, 1× 10G SFP+

The DIGITUS® DN-95333 combines eight 2.5-Gigabit PoE+ ports with a 10G SFP+ uplink in a space-saving 10-inch form factor. Each port delivers up to 30 W (IEEE 802.3af/at) with a total PoE budget of 80 W—enough to power multiple Wi-Fi 6/7 access points or PTZ cameras simultaneously. The 10G uplink ensures a smooth data flow to the backbone even at full port utilization. The fanless metal enclosure operates silently and reliably 24/7—ideal for offices, equipment rooms, and retail environments. This makes the DN-95333 the top choice for high-performance Wi-Fi and video surveillance installations in a compact 10-inch form factor.

Provides multi-gigabit speeds to many PoE devices and reliably connects them to the core network via 10G.

- Network & Performance
- 8× 10/100/1000/2500 Mbps RJ45 (PoE+)
- 1× 10 Gbps SFP+ uplink
- PoE Standards: IEEE 802.3af/at, 30 W per port, 80 W total
- PoE Pinout: Pin 1/2 V−, Pin 3/6 V+
- Switching capacity: 60 Gbps, forwarding: 44.64 Mpps
- Jumbo frames up to 12 KB, MAC table: 4K
- Packet Buffer: 8 Mbit, Store-and-Forward
- Design & Installation
- Completely fanless
- Metal housing
- 10-inch rack-mount
- Dimensions: 252 × 150 × 44 mm, Weight: approx. 2.5 kg
- Electrical Systems & Environment
- Internal power supply, 100–240 V AC
- Power consumption: 95 W
- Operating temperature: 0–40 °C; storage temperature: –10–70 °C
- Humidity: 5–95%, non-condensing

Attributes

- Broj priključaka: 8
- PoE norma: IEEE802.3at (PoE+)
- Ethernet brzina: Gigabit
- Industrijska uporaba: Ne
- Broj priključaka (Uplink): 2
- PoE (napajanje preko Etherneta): Da
- Prikladno za vanjsku primjenu: Ne
- Upravljano: Ne
- Veza uzlaznog (Uplink) priključka: SFP
- VLAN: Ne
- Vrsta instalacije: 10 inča, Radna površina
- Zaštita od vandalizma: Ne

Package contents

- DN-95333 Switch
- Power cable
- Quick Start Guide
- Rubber feet

Safety notes

- This product is intended for indoor use only.
- Read all instructions and follow all warnings and instructions on the device.
- Do not place this appliance on an unstable surface (such as a trolley, stand, table, etc.).
- Do not use this appliance near water.
- Do not place this appliance near or above a radiator.
- The housing is equipped with openings for heat dissipation and ventilation. To prevent overheating during operation, the ventilation openings must not be blocked or covered.
- Do not place the appliance on a soft surface (e.g. bed, sofa, blanket, etc.). This will block the ventilation.
- The appliance must not be installed in a closed environment if adequate ventilation is not guaranteed.
- Do not spray any liquids onto the appliance.
- Disconnect the mains plug before cleaning. Do not use any liquid or foam cleaners.
- Clean the appliance with a damp cloth.
- Connect the device according to the power supply on the rating plate.
- To prevent damage to the appliance, it is important that all appliances are properly earthed.
- Do not place any objects on the power cable and lay it in such a way as to avoid tripping hazards.
- Use a surge protector, a regulator or an uninterruptible power supply (UPS) to protect your system from sudden, temporary and reduced power.
- Secure the system cable and mains cable properly and ensure that no objects are pressing on the cable.
- Do not insert any objects into the appliance through the openings in the housing. There is a risk of a short circuit, which can lead to fire or electric shock.
- Do not attempt to repair the appliance yourself. Always contact an authorized customer service centre.
- If any of the following conditions occur, unplug the appliance and send it to an authorized service centre for repair
- The mains cable, power supply unit or plug for the power supply is damaged or worn;
- Liquid has penetrated the appliance;
- The device has been exposed to rain or water;
- The device has been dropped or the housing has been damaged;
- The function of the device has obviously changed;
- The appliance cannot be operated as described in the operating instructions.
