

DIGITUS® DIGITUS DIN-Rail Adapter with 3 DN-93615-S Keystone Modules

DN-25183

EAN 4016032509738

DIN-Rail adapter, 3 port with 3x DN-93615-S Keystone Module

The DIGITUS® DIN-Rail Adapter Combo Pack with CAT 6A Compact Keystone Module offers a practical and efficient solution for integrating high-speed network connections into DIN-rail-based installations. The DIGITUS® DIN rail adapter is designed to securely hold DIGITUS® Keystone modules, enabling easy integration. The included shielded CAT 6A Compact Keystone module (DN-93615-S) supports high-speed data transmission and future-proof network standards, and features tool-free installation and 360° shielding. By providing both components in a single package, this solution ensures perfect compatibility between the DIN rail adapter and the CAT 6A Keystone module, simplifies procurement, and offers a convenient all-in-one solution for reliable DIN-rail-based network connectivity.

A complete DIN-rail network solution in a single package that ensures guaranteed compatibility, faster installation, and reliable CAT-6A connectivity.

- Keystone Mount Design: 45° Outlet
- Applications: Electrical distribution boxes
- Standards: ISO/IEC 11801, 3rd ed., EN 50173-1, EIA/TIA 568-C
- General Characteristics:
- Suitable for installation on a DIN rail in electrical distribution boxes
- Technical Specifications:
- Material of the empty housing: stainless steel
- Physical Properties:
- Operating temperature: -20° C to +70 °C (ISO/IEC 11801, EN 50173-1, ANSI/TIA/EIA 568 C)
- DIN Rail Combination: DN-25183 – AN-25183 + 3x DN-93615-S

Package contents

- DIN rail adapter
- 3 DN-93615-S Keystone Modules
