

DIGITUS® Wired keyboard, German layout (QWERTZ), 105 keys

DA-20167

EAN 4016032511045

Office Keyboard Corded GER black 1,8 m USB cable

This wired keyboard in German QWERTZ layout impresses with its quiet, precise typing comfort and flat, ergonomic design. The full 105-key layout, including number pad and all important special characters and umlauts, enables intuitive typing and efficient working in the German-speaking office and home office environment. The comfortable whisper keys ensure a pleasantly quiet typing experience and support concentrated work – even at shared workstations. Thanks to the slim design, medium-height keys with a slight cupping and practical height adjustment via fold-out feet, the keyboard can be conveniently adapted to your personal working style. Laser-engraved key symbols ensure long-lasting legibility, even with frequent use. The wired USB-A connection offers stable and delay-free input without batteries or wireless interruptions. Plug & Play means the keyboard is ready for immediate use – simply connect via USB and get started straight away. With its 1.8 m cable length, non-slip design and 525 g weight, it also offers flexible positioning and a secure hold on the desk. Three status LEDs for Caps Lock, Num Lock and Scroll Lock round off the practical features.

The keyboard combines quiet, precise typing comfort with a flat, ergonomic and timeless design
