

DIGITUS CAT 6 U/UTP patch cord - LSZH

DK-1617-025
EAN 4016032468073

CAT 6 U-UTP patch cord, Cu, LSZH AWG 26/7, length 2.5 m, color grey

The DIGITUS® Category 6 Class E patch cords are manufactured and tested to the ISO/IEC 11801 and DIN EN 50173 Category 6 specifications. They will guarantee the installed cabling system is compliant with the ISO & EN channel specification requirements and will provide optimum performance levels of DIGITUS® Category 6 cabling. The performance is tested up to 250 MHz inclusive performance characteristics such as near end cross talk ("NEXT"). DIGITUS® patch cords are designed and produced to fulfill the highest requirements of various application areas in full volume. Each cable is fitted with a molded boot which comes with kink protection and strain relief. Furthermore the boot is equipped with a latch protection that prevents the latching lever against breaking. You can easily identify

the Category 6, because of the transparent red colored connector.

Future-oriented standards and high-end quality for your network.
