DIGITUS Shelf with cable management

DN-97681
EAN 4016032483489

1U fixed shelf for 600 mm depth cabinets incl. cable management, black

The shelves for fixed installation can be easily installed on the four 483 mm (19") profile rails of your 483 mm (19") network or server cabinet. Thanks to the stable, perforated plate with a load capacity of up to 120 kg, these are the optimal carrying surface for components that cannot be installed in 483 mm (19") systems. The combination with integrated cable management brackets and feedthroughs enables an optimized cable management concept for a wide variety of application scenarios.

- for fixed mounting on the four 483 mm (19") profile rails
