LED Ring Light 10 Zoll, Desk

The DIGITUS Ring Light Stand is an LED light that illuminates any shadow, improves the appearance of the skin and makes the eyes shine without glare. The ring light has 10 brightness levels and 3 light modes to illuminate a face optimally when recording videos and portraits. Cameras/iPhones/Android phones are simply fastened in the ball-head mount and connected to the Windows PC or Mac via USB. Settings for brightness and color temperature are configured using the buttons of the remote control integrated in the cable.

10-inch LED Ring Light with tripod stand & smartphone mount, dimmable light in various color tones for YouTube video recordings, live stream, makeup/photography.
