DIGITUS Cable Holder for 483 mm (19”) Cabinets

DN-97687
EAN 4016032486725

1U cable holder, 45 x 80 x 100 mm 10 pieces, grey

With the 1 rack unit cable holders from DIGITUS, you can maintain order in network and server cabinets. Delivered as a set with 10 cable holders including mounting material, so you can get started with cable installation right away. Rounded edges protect the cables when inserting them into the ring. Each cable holder has four installation holes (one rack unit each) for flexible installation, whether aligned to the width or depth of the cabinet.

Easy installation and flexible options for use to ensure optimal cable management.
