

# PURELINK Purelink PureInstall PI035

PI035  
EAN 4260134119252

This angle adapter performs around the corner! The PI035 is a high-speed HDMI adapter which is intended for use on difficult to access HDMI jacks. He changes the plug access to 90 ° and thus the direction of the cable guide. In addition to the resulting productive flexibility of PI035 brings more good properties, such as Ethernet Channel (HEAC) and ARC and the Secure Lock System specially developed for the Pure Install Series™ for zugkräftigere, secure connection. It is especially designed for professional applications and installations. Be careful when installing on the alignment of the HDMI connector on the target device - the reverse adapter (270 °) in our range is PI040.

- High Speed HDMI to 4K for 3D and UltraHD (2160p) - HDMI 2.0 compatible
- Integrated Ethernet channel for 100 MBit network transmission via HDMI
- Precision fit and gold-plated contacts for long-term success
- Innovative Secure Lock System™ for HDMI connections
- Especially suitable for professional applications and installations

**Attributes**

- AOC - Active Optical Cable: no
