

PURELINK Purelink PI100 HDMI wall socket 1 port

PI100
EAN 4260134120258

The HDMI wall outlets PI100 the Pure Install series are ideally suited for fixed installation and HDMI signal transmission through walls. Simple signal transmission by connecting a HDMI source to the socket of the wall socket, which outputs the HDMI signal through a permanent HDMI cable to another wall socket. This allows simple, space-saving and especially aesthetic transmitting an HDMI signal, for instance in conference rooms or in the home cinema range. Support for 3D signals and HDTV resolutions up to 4K (2160p).

- High Speed HDMI with Ethernet for 3D and HDTV resolutions up to 4K (2160p)
- Space-saving, clean and simple transmission of HDMI signals
- Concealed installation instead of disturbing cables
- Integrated Ethernet channel for 100 MBit network transmission via HDMI
- Especially for professional applications and installations

Attributes

- AOC - Active Optical Cable: no
