

PURELINK Purelink PI105 HDMI wall socket 2 port

PI105
EAN 4260134120265

The HDMI wall outlets PI105 the Pure Install series with two ports are ideally suited for fixed installation and HDMI signal transmission through walls. Simple signal transmission by connecting up to two HDMI sources to the sockets of the wall socket, which outputs the HDMI signal through fixed HDMI cable to a different wall socket. This allows simple, space-saving and especially aesthetic transmitting HDMI signals, for instance in conference rooms or in the home cinema range. Support for 3D signals and HDTV resolutions up to 4K (2160p).

- High Speed HDMI with Ethernet for 3D and HDTV resolutions up to 4K (2160p)
- Space-saving, clean and simple transmission of HDMI signals
- Concealed installation instead of disturbing cables
- Integrated Ethernet channel for 100 MBit network transmission via HDMI
- Especially for professional applications and installations

Attributes

- AOC - Active Optical Cable: no
