CAT 6 S-FTP patch cord, Cu, LSZH AWG 27/7, length 1 m, color orange

The new DIGITUS patch cable series comes onto the market with a redesigned connector. The anti-kink sleeve with locking lever protection prevents the cables from getting caught and at the same time protects the locking lever from breaking off. The plugs can be differentiated by color depending on the category: a blue plug for CAT5e, a red plug for CAT6 and a yellow plug for CAT6A. We also offer a variety of different lengths and colors to meet all requirements.
