DIGITUS® MPO/MTP patch panel for 4 cassettes, 1U, unequipped

DN-96614-2

EAN 4016032424383

MPO/MTP patch panel for 4 cassettes Distribution box for 4 cassettes

The patch panel is the ultimate solution for networks that require a high-density, organized and future-proof fiber optic connection. It is a compact, high-performance solution designed for efficient cable management and seamless connectivity in modern data center, telecom and enterprise networks. It offers a versatile, modular platform to accommodate up to three MPO/MTP cassettes in a single panel. This patch panel has a plug-and-play functionality that allows for quick installation and simplified network upgrades. Pre-terminated MPO/MTP trunk cables can be connected to the rear panel, while the front panel is equipped with standard connectors such as LC or SC to ensure a streamlined, organized and reliable network setup.

The MPO/MTP patch panel provides high-density connectivity and seamless scalability for network upgrades. It ensures reliable performance for high-speed networks in data centers and telecommunication systems.

- 19" housing
- Unassembled
- for 4 MTP/MPO cassettes
- Extendable
- Color black

Attributes

- Assembly: Empty housing
- Color: black, RAL 9005
- Type: fixed

Package contents

- 1 x MPO/MTP patch panel for 4 cassettes, 1U, not mounted
