DK-1644-010-10

EAN 4016032441441

10x

CAT 6 S-FTP patch cord, Cu, LSZH AWG 27/7, length 1 m, 10 pieces, color grey

The DIGITUS® Category 6 Class E patch cables are manufactured and tested according to the ISO/IEC 11801 and DIN EN 50173 CAT 6 standard. They guarantee that the cable installation complies with the ISO & EN Channel specification and offer excellent performance in DIGITUS® CAT 6 cabling. The performance has been tested up to 250 MHz, including performance characteristics such as near-end crosstalk ("NEXT"). The DIGITUS® patch cables have been specially developed to fully meet all requirements in the various application areas. Each cable is equipped with a molded anti-kink grommet with strain relief. The grommet also has a latching lever protection, which prevents the cable from getting caught and the latching lever from breaking off the plug. The red coloring of the plugs makes it easy to identify category 6.

Future-oriented standards and high-end quality for your network.

- 2x RJ45 plug (8P8C)
- Hoods with bend protection, strain relief and latching lever protection

- Length designation on the hoods
- Inner conductor: Copper (Cu)
- 10 pieces
