DIGITUS®

DIGITUS Modular console with 19" TFT (48.3cm) & touchpad

DS-72211
EAN 4016032447580

Modularized 48,3cm (19") TFT console without keyboard, without KVM module, RAL 9005 bk

Due to its modular design, the DIGITUS® 19" TFT console offers a multitude of individual configuration possibilities, so that it can be adjusted to the area in which the console is being used. As a result, the console is economical and can be upgraded and/or converted at any time with further modules. Due to the flexible configuration, a high level of future security of the console is thus guaranteed. The modular console consists of a 19" monitor and the touchpad. A keyboard, KVM module and the appropriate set of cables are required to operate the console. The accessories are offered in the most diverse versions.
