Single Monitor Pole Mount 15-32", 8 kg (max.), black

The universal monitor column mount from DIGITUS® can hold a monitor from 15" to 32". The quick-release function also makes it easier for you to install the monitor. The VESA mount is simply pushed into the corresponding holder and fixed in place with a screw. You can easily adjust the monitor to suit your needs and can swivel, tilt or rotate the monitor itself, e.g. for portrait format monitors. Do something good for yourself and your health by optimally adjusting the monitor to your body and sitting position. In addition, the monitor cables can be neatly routed through the cable guides supplied.
