

DIGITUS Notebook charger USB-C, 65W

DA-10071

EAN 4016032482680

Notebook Charger USB-C Power supply 65W PD3.0

The DIGITUS USB-C PD Notebook Power Adapter is a super slim and compact replacement for defective or lost original power adapters. It is also ideally suited for use as a second power adapter in the office, for travel, or at home. The 65W PD3.0 charger has been developed for notebooks, smartphones, tablets and gaming consoles with a USB Type-C connection. Notebooks and the powder adapter itself are protected against short circuits, overheating, surges and excess current.

Compact replacement for defective or lost original power adapters and perfectly suited for use as a second power adapter for travel, in the office or at home.
