DIGITUS®

DIGITUS Electrically Height-Adjustable Table Frame, 90° L-shape, Triple Motor, 2-stage, White

DA-90453
EAN 4016032487418

Electric Height Adjustable Desk Frame, 3-leg height:120 cm, load: 120 kg, white

With this electrically height-adjustable table frame from DIGITUS® you can easily convert your desk into an ergonomic sit / stand workstation. Save the cost and hassle of finding a height-adjustable desktop and just use our electrically adjustable upgrade kit. This model can be used for tabletops with a length of 120-180 cm and 140-200 cm. Tabletop depths of 55 to 100 cm are recommended. Using the control panel, you can save 4 height positions and set them any time at the press of a button. The current height is shown on the LED display. Integrated collision protection prevents collision with any obstacles when raising or lowering the table.

Convert your desk into an ergonomic sit / stand workstation. Electrically height-adjustable, flexibly extendible and can be aligned right or left for installation. With collision protection and memory function for height adjustment.

- Maximum load capacity of up to 120 m
- Flexibly adjustable frame: Cross strut (112 - 165 cm) x longitudinal strut (130 - 180 cm)

- Suitable for tabletops: 120 - 180 cm x 140 - 200 cm and a depth of 55 - 100 cm
- The longitudinal strut (3rd leg) can be flexible installed on the left or right
- Convenient, electrical height adjustment (without tabletop): 72 - 120 cm
- Control panel for height adjustment with LED display (3 brightness settings) and memory function for 4 height settings
- Collision protection function (G-sensor) with 3 sensitivity levels - detection of obstacles during upwards and downwards movement
- Automatic stop system - stops the motor in case of resistance and automatically moves the frame back slightly
- 3 motors for easy and quiet (< 50 dB) height adjustment - Lifting speed 25 mm/sec.
- 3 pedestals (58.5 cm wide) with 2 footpads each for fine-tuning to balance out any unevenness in the ground
- Weight: 30 kg
- Shape: L-shape
- Color: White
- Power supply cable: Euro, plug (type C, CEE 7/16) – C7, device socket, length: 2 m
