MASK-50
EAN 7630003326123

face mask, 50 pack

Single-use hygiene masks made of three-layer non-woven fabric with elastic ear loops. The hygiene masks are suitable for civilian use to protect against droplets, splashes and coarse particles and thus reduce the risk of infection. 3-layer non-woven fabric, hygiene mask with elastic ear loops for single use only, colour: blue, 1 piece (pcs.) = 1 box of 50 hygiene masks. Put on hygiene mask correctly: Wash your hands thoroughly with soap and water or use a hand disinfectant before each use of a hygiene mask. Put on the hygiene mask carefully. The hygiene mask should fit snugly against your face. The mouth and

nose must be completely covered and gaps between the face and the hygiene mask must be prevented. Once you have put on the hygiene mask, you should not touch it again. After taking off the hygiene mask, wash your hands with soap and water or use a hand disinfectant. Hygiene masks can be worn for at least 2 to 4 hours, even if they are damp. Replace the hygiene mask after a maximum of 8 hours with a new, clean and dry hygiene mask. Dispose of the hygiene mask in a closed waste bin immediately after use. Observe the FOPH's recommended hygiene measures even while wearing a hygiene mask!
