

DIGITUS Fiber Optic Inspection- and Cleaning Set

DN-FO-KIT-2
EAN 4016032430179

DIGITUS Fiber Optic Cleaning Set With Microscope, One Klick and Connector Cleaner

The set is perfect to use before splicing. Easily clean and control your connectors of cables and couplers. The microscope is used to control the connector surface of dirt and scratches. The click tool can be inserted into the coupler for cleaning and the connector cleaner can be used to clean the surface of several connectors.

- Microscope for connector surface inspection
- Click connector cleaning tools for LC and SC connectors
- Connector cleaner
- Cleaning wipes
- Pump bottle for alcohol cleaner
- Sturdy aluminum case with foam filling
