

DIGITUS Vertical Cable Tray for 483 mm (19") 42U network- and server racks

DN-19-ORG-42U-CT-N-B
EAN 4016032453918

42U vert. cable tray for network and server racks 1650x130x25 mm, color black (RAL 9005)

The vertical cable tray can be easily installed to all 42U network- and server racks of the Unique series as well as network- and server racks of the Dynamic Basic series from DIGITUS. Several holes and T-heads allow an optimized cable routing for installation cables or similar. Best usage together with hook and loop tape (part. no. e.g. DN-CT-10M-20)

- in order to save the cables against scratches or standard cable ties. Other height versions are available on request.
- sturdy steel sheet material, galvanized and powder coated
- Package contents**
- Installation set (screws, cage nuts, washers)
