DIGITUS®

DIGITUS Workstation for wall mounting

DN-39009
EAN 4016032460886

Wall mounting workstation cabinet 2 compartments, 650x750x150 mm, RAL 7035

The wall mounting workstation from DIGITUS® was primarily designed for space-saving usage in, for example, office environments, warehouses, hospitals, laboratories, hotels or conference rooms. It is divided into two parts. The upper section can be used as a workspace for notebooks. Two extra shelves provide additional storage for material. On the underside there are cable feedthroughs so that the lower section can be used for cable storage, socket strips, router etc.

Space-saving workstation, with two separate areas for components

- The door of the upper section serves as a folding table, e.g. for notebook and mouse
- Two fixed shelves for additional material storage
- Folding table dimensions: 20 x 700 x 410 mm

- Lower section internal dimensions: 110 x 685 x 120 mm
- Load capacity: 80 kg
- Color gray (RAL 7035)
- Cabinet type: Wall mounting cabinet
- Color: light grey, RAL 7035
- Front door: Steel door, closed, single opening
- Load capacity: 80 kg
- Side panels: Both sides
- Width: 750 mm
- UV-C disinfection: no
- Data synchronisation function: no
