

Dual Design Monitor Clamp Mount with 2 x USB & Gas Spring

DA-90417
EAN 4016032475057

Dual Gas Spring Monitor Clamp Mount 17-32", 2x9 kg max, space grey

The dual designer monitor arm solution with integrated USB connections unites ergonomics and connectivity. Users benefit from a perfectly ergonomically adapted monitor position and can also use their mobile devices such as smartphones, tablets or USB sticks via the integrated USB port. The monitor arm supports displays with a screen diagonal from 17" to 32" (VESA 75 / 100) up to a maximum load of 9 kg per monitor arm. The integrated gas springs with spring tension meter and quick-release function make it easier for you to position and clip in the monitor. The swiveling of the monitor arm can be reduced to 180° to prevent collisions with walls or other obstacles. You can access the USB connections centrally at the clamp mount. Enjoy a tidy desk with the USB connectivity and the ergonomic advantages of the adjustable monitor bracket from DIGITUS®.

Ergonomics combined with stylish design and practical USB connectivity

- Monitor bracket:
- Suitable for monitors with dimensions between 17" and 32", also suitable for curved displays
