

Wireless Optical Mouse, 6 buttons, 1600 dpi

DA-20162
EAN 4016032482871

Wireless Optical Mouse 6D, 2.4 GHz 800/1000/1600 dpi, black-grey

The optical Business Mouse was specially designed for use on PCs as well as notebooks. The device offers maximum flexibility, thanks to the 6 buttons and scroll wheel. With the help of 2.4 GHz technology, you can freely set up the mouse in your working environment, whether in the office or at home. The Business Mouse allows accurate control of the notebook or PC through its functions and features. The high-resolution optical sensor with up to 1600 DPI works with high precision on almost any surface.
