

DIGITUS 6-way office power strip with 3x USB ports

DA-70624

EAN 4016032487012

6-fach Office power strip 3x USB 2xUSB-A +1xUSB A, On/off switch, Alu-housing

Forget times when you had to look for your smartphone charger constantly. The office power strip from DIGITUS® even provides you with 3 USB ports where you can charge your smartphone and your tablet simultaneously, for example. Use all protective contact sockets without connection problems. Use all safety sockets without connecting problems because of the smart 45° degree layout. You can even use bigger and bulky right angle plugs without blocking or covering the other nearby safety sockets. Furthermore you have the opportunity to set up the socket strip variably and fix it on demand by the clamping assembly perfectly to your location. Once clamped, the bar can be rotated horizontally to ensure optimal flexibility. Protect yourself and your family from electric shocks with the integrated shutters and the resulting increased protection against accidental contact of the protective contact sockets. A big range of placing the socket strip is provided by its 1,5 m mains. The valuable aluminium housing and noble design completes this multi-function safety socket strip.

6-way power strip with three additional USB charging ports for mobile devices in a high-quality aluminum housing

- 6x protective contact sockets in a 45° arrangement, also suitable for bulky angle plugs
