

DIGITUS USB 3.0 Hub 4-Port, Slim Line

DA-70235

EAN 4016032489207

USB 3.0 Hub 4-Port, Slimline with USB-C Adapter, 5Gbps, 0,2m cable

The DIGITUS USB 3.0 Hub Slim Line is the ideal extension for every workplace. Up to four USB devices can be connected and used simultaneously, making it easy to use multiple input devices or portable storage devices. Thanks to the USB 3.0 technology, data transfers reach a speed of up to 5 Gbps and ensure the fastest data exchange. Thanks to its slim design, the 4-port hub is the ideal companion when travelling, but is also indispensable in the home and office.

Expands your notebook with USB-C or USB A connection with 4 additional USB super-speed ports.

- Four USB 3.0 ports with up to 5Gbps
- Supports super-speed (5 Gbps), high-speed (480 Mbps), and full-speed (12 Mbps) data transfers

- Downwards compatible with USB 2.0 and 1.1
- Cable length: 0.2m
- Weight: 42,3 g
- Colour: black
- Dimensions: L 10.5 x W 3.0 x H 1.0 cm
- Operating temperature: 0°C - 40°C (35°F to 100°F)

Attributes

**Safety notes**

- Overloading can lead to overheating and damage to the appliance or the connected peripherals.
- If necessary, use an external power supply to ensure stable performance.
- If devices such as external hard disks or printers that require a high power consumption are connected, the device should be used with an external power supply. Otherwise, the device could be overloaded or functional problems could occur.
- Do not expose the device to rain, moisture, vapors or liquids.
- Do not insert any objects into the device.
- Do not attempt to repair the unit or open the housing without authorization. You risk an electric shock!
- Ensure adequate ventilation to prevent damage due to overheating.
- Dust, moisture, vapors and strong cleaning agents or solvents can cause damage to the device.
- Disconnect the appliance from the power supply and the connected devices before cleaning.
- Clean the device with a dust-free cloth.
