

4K HDMI Matrix Switch (4x2) with Audio Extractor

DS-50304

EAN 4016032366775

4K HDMI Matrix Switch 4x2 supports 4K2K, 3D video, incl. remote control, bl

The Digitus 4K HDMI Matrix Switch 4x2 distributes media content from up to four HDMI sources to up to two recording devices (for example, hard disk recorders) or playback devices (televisions, monitors, projectors), simultaneously and independently of each other. Switch comfortably between up to four HDMI sources and up to two playback devices (televisions, monitors, projectors), independently of each other and without having to swap cables, by remote control.

Experience media content in super high resolution, thanks to 4K Ultra High Definition support. Both Full HD and Full 3D are supported. The perfect, complete HDMI distribution solution for both professional and home entertainment use.

Convenient switching between up to four HDMI sources and two playback devices without having to swap cables every time and share your media content, independently of each other, in 4K UHD resolution on up to two playback devices

- Supports Ultra HD (30Hz), 4096 x 2160 pixel resolution
- Switch comfortably between up to four HDMI sources and two playback devices (televisions, monitors, projectors) independently of each other, without having to swap cables
