Dual Monitor Gas Spring Mount, 15-32", silver max. load 8kg, max VESA 100x100

Use the workflow of two monitors and save yourself the hassle of switching back and forth between different applications. With the dual monitor desktop mount, you can conveniently attach 2 monitors of sizes 15" - 32" to your desk using a clamp mount. You can easily adjust the monitors to suit your needs and can swivel, tilt or rotate the monitor itself, e.g. for portrait format monitors. The support of the integrated gas pressure spring makes it easier for you to adjust the height of your monitors. Do something good for yourself and your health by optimally adjusting the monitor to your body and sitting position. In addition, the monitor cables can be neatly routed through the cable guides supplied.

Use the workflow of two monitors from 15" to 32" and save yourself the hassle of switching back and forth between different applications. The monitor can be swiveled, tilted or rotated. The integrated gas pressure spring makes height adjustment easy.
