

DIGITUS TV Presentation cart

DA-90370

EAN 4016032428589

TV-Cart for screens up to 70", max. 50kg wheelbase, VESA max. 600x400

With our TV cart you can easily set up a flexible presentation solution for varying meeting or classrooms. Thanks to the four wheels the cart can be pushed easily and also provides thanks to the looking mechanism a safe and sturdy stand. With the two shelves for DVD Player, Laptop and Webcam you have enough space to fit your whole meeting or presentation solution on this cart. The cart supports screens between 37" up to 70" with a maximum weight of 50kg. Thanks to the easy height adjustment of up to 218cm and the tilt angle for the screen of up to 10° you can also easily adjust the screen to be seen also from further away. The Universal TV cart allows you to install LED, LCD, and Plasma TVs of all brands.
