

# DIGITUS Single monitor mount, 32", 9 kg

DA-90394

EAN 4016032465119

## Single Gas Spring Monitor Clamp Mount 15-32", 9 kg (max.), black

With the universal monitor mount from DIGITUS®, you can conveniently attach a 15" - 32" monitor to your desk using a clamp mount. The quick-release function also makes it easier for you to install the monitor. The VESA mount is simply pushed into the corresponding holder and locks into place automatically. You can easily adjust the monitor to suit your needs and can swivel, tilt or rotate the monitor itself, e.g. for portrait format monitors. The support of the integrated gas pressure spring makes it easier for you to adjust the height of the monitor. In addition, the monitor cables can be neatly routed through the cable guides supplied. Do something good for yourself and your health by optimally adjusting the monitor to your body and sitting position.

**The desktop mount offers you the option of individually aligning monitors from 15" - 32". The monitor can be swiveled, tilted and rotated. The integrated gas pressure spring makes height adjustment easy. With quick-release function.**
