DIGITUS®

DIGITUS Mobile Desktop Charging Cabinet for Notebooks/Tablets up to 14 inch

DN-45001
EAN 4016032475583

Charging desktop cabinet, 10 charge bases, 14", bl 345 x 360 x 370 mm, incl. USB, fan

The mobile charging cabinet from DIGITUS® is the ideal and compact solution for storing and charging your portable devices such as notebooks and tablets. Mobile charging cabinets are frequently used in public facilities such as schools in order to store devices securely at a central location while charging them at the same time. The cabinet includes 10 charging stations, all of which have their own USB connection on the front. Thanks to the integrated LED indicators, you have an overview of the charging process at all times (red: charging in progress; green: charging complete/no device connected). Wear-proof pedestals ensure slip-free construction. An installed ventilators combined with ventilation slits ensures active cooling of the cabinet.

The ideal solution for storing and charging your portable devices.
