3 in 1 Charging station, wireless for Apple iWatch, AirPods, iPhone

The 3 in 1 Wireless Charging Station from DIGITUS® enables simultaneous charging of an iPhones® or other Qi-capable smartphone, an iWatch® and AirPods® that allow for inductive charging. Charging is wireless through induction. Simply place the devices on top, charging will start automatically. The inclination angle of the smartphone charging spot can be adjusted infinitely. The iWatch® is held in place with magnets and the original charging pad is not required. The surface of the station is slip-proof to ensure that all devices stay in one place.
