

DIGITUS SSD/HDD Installation Frame for CD/DVD/Blu-ray drive slot, SATA to SATA III, 9.5 mm installation height

DA-71108

EAN 4016032390176

2nd SSD/HDD SATA Notebook Caddy for 2.5" SATA I-III SSD/HDD, 9.5mm

The DIGITUS® SSD/HDD mounting frame for the CD/DVD/Blu-ray drive slot is the perfect solution for upgrading your notebook. With this frame you can replace the optical drive (CD/DVD/Blu-ray) by a hard disk. Provide the frame with the original drive aperture and the exchange remains externally unremarkable. The frame corresponds to a shaft height of 9.5 mm and is designed for 2.5" SATA SSDs and HDDs. The DIGITUS® SSD/HDD mounting frame for the CD/DVD/Blu-ray drive slot is used in almost all optical drive bays with SATA interface. It serves the memory expansion through the use of a hard drive/SSD and allows faster access to your data it contains.

The perfect solution for simply upgrading the memory of your notebook

- Mounting frame for 2.5" SATA hard disks (HDD) and SSDs
- Suitable for almost all SATA drive bays with a height of 9.5 mm

- Universally designed aperture holder enables individual, optical adjustment
- Frame is made of aluminum for better heat dissipation

Safety notes

- Overloading can lead to overheating and damage to the appliance or the connected peripherals.
- If necessary, use an external power supply to ensure stable performance.
- If devices such as external hard disks or printers that require a high power consumption are connected, the device should be used with an external power supply. Otherwise, the device could be overloaded or functional problems could occur.
- Do not expose the device to rain, moisture, vapors or liquids.
- Do not insert any objects into the device.
- Do not attempt to repair the unit or open the housing without authorization. You risk an electric shock!
- Ensure adequate ventilation to prevent damage due to overheating.
- Dust, moisture, vapors and strong cleaning agents or solvents can cause damage to the device.
- Disconnect the appliance from the power supply and the connected devices before cleaning.
- Clean the device with a dust-free cloth.
