

DIGITUS Dual 2.5" HDD/SSD Internal Mounting Kit incl. cable set

DA-70434
EAN 4016032454434

Mounting KIT: Dual SSD/HDD 2.5 -> 3.5 BAY Incl. Mounting Frame, Metal Black, Screws, Cables

The DIGITUS® mounting frame kit allows you to insert up to two 2.5" SSD or HDD hard drives into a standard 3.5" drive bay. By installing the hard drives, you can create additional storage space for your computer, as well as achieve faster access times to your data via an SSD. The scope of supply includes all necessary screws and cables to connect the hard drives directly. In addition to SATA connection cables, the scope of supply also includes Y power cables to be connected to both SATA and IDE power supplies.

Extend your computer with additional storage space and fast access times

- Suitable for installing up to two 2.5" HDD or SSD hard drives in a 3.5" bay

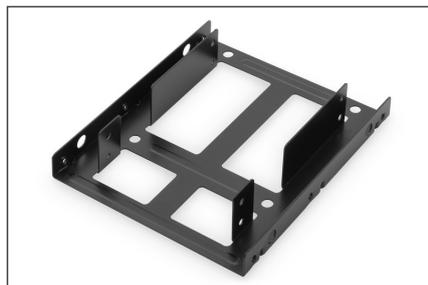

- Suitable for HDD or SSD hard drives
- Great for small Media Center PCs too
- Simple installation
- Size: 11.5cm x 10.1cm x 2.3 cm
- Metal design for better heat dissipation of HDD

**Safety notes**

- Overloading can lead to overheating and damage to the appliance or the connected peripherals.
- If necessary, use an external power supply to ensure stable performance.
- If devices such as external hard disks or printers that require a high power consumption are connected, the device should be used with an external power supply. Otherwise, the device could be overloaded or functional problems could occur.
- Do not expose the device to rain, moisture, vapors or liquids.
- Do not insert any objects into the device.
- Do not attempt to repair the unit or open the housing without authorization. You risk an electric shock!
- Ensure adequate ventilation to prevent damage due to overheating.
- Dust, moisture, vapors and strong cleaning agents or solvents can cause damage to the device.
- Disconnect the appliance from the power supply and the connected devices before cleaning.
- Clean the device with a dust-free cloth.
