

DIGITUS USB Extender, USB 2.0 4 Port Hub

DA-70143
EAN 4016032480563

4 Ports USB 2.0 Hub & Extender 50M for use with Cat5/5e/6 (UTP, STP, SFT) cable

This USB extender enables you to connect up to 4x USB devices to your computer at a distance of up to 50 m using a Cat 5, 5e or Cat 6 patch cable (UTP, STP or SFP) - not included in the scope of delivery. With this adapter, you can position your mouse, keyboard, USB cameras, printers, webcams, scanners or any other USB devices exactly where you want them without having to move your computer.

A cost-effective way to go beyond the USB cable length limit and position USB devices wherever you like

- USB 2.0 receiving amplifier reduces signal loss

- Extends 4x USB connection cables up to a length of 50 m
- USB 2.0 compliant
- Uses a standard Cat 5, 5e or 6 network cable (UTP, STP or SFP) with RJ45 plugs
- Easy installation, fully independent operation, no software required
- Ideal for the connection of devices positioned at a distance, e.g. mouse, keyboard, cameras, printer, scanner, etc.

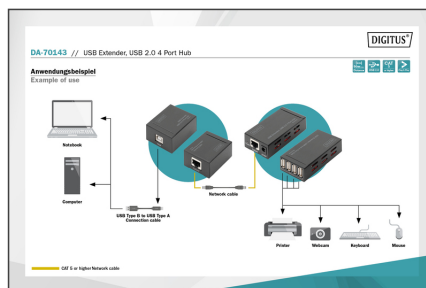

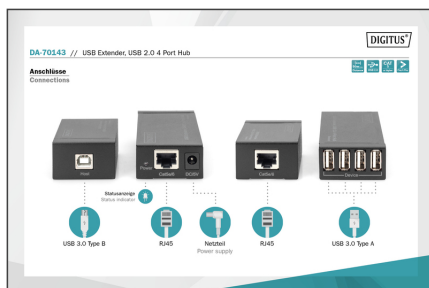

Package contents

- USB Extender & 2.0 USB Hub 4 Port, 50M
- Power adapter (5V/1A)
- QIG (Quick Installation Guide)

Safety notes

- Overloading can lead to overheating and damage to the appliance or the connected peripherals.
- If necessary, use an external power supply to ensure stable performance.
- If devices such as external hard disks or printers that require a high power consumption are connected, the device should be used with an external power supply. Otherwise, the device could be overloaded or functional problems could occur.
- Do not expose the device to rain, moisture, vapors or liquids.
- Do not insert any objects into the device.
- Do not attempt to repair the unit or open the housing without authorization. You risk an electric shock!
- Ensure adequate ventilation to prevent damage due to overheating.
- Dust, moisture, vapors and strong cleaning agents or solvents can cause damage to the device.
- Disconnect the appliance from the power supply and the connected devices before cleaning.
- Clean the device with a dust-free cloth.
