DIGITUS Wall Mounting Cabinets Dynamic Basic Series - 600x450 mm (WxD)

DN-19 16-U-EC-SW
EAN 4016032257844

16U wall mounting cabinet 816x600x450 mm, color black (RAL 9005)

The network cabinets for wall installation from the Dynamic series were developed for easy and especially cost-optimized network expansion. The roof, floor and back wall of each cabinet are equipped with a pre-cut cable inlet. To accommodate a fan module, the roof structure is also equipped with a pre-cut area. Two pairs of galvanized 483 mm (19") profile rails labeled with rack units readable in both directions are installed on the inside. Their depth can be adjusted. Each cabinet is made of up to 1.5 mm thick sheet steel. Coloring is done with electrostatic powder coating in the standard colors gray (RAL 7035) or jet black (RAL 9005). Removable side walls as well as lockable and removable front door improve accessibility. The door hinges can be switched. Wall installation is accomplished in two easy work steps: The mounting plate provided is bolted on the wall and then connected with the housing.

- Classe de proteção IP20
- Dispositivo de bloqueio de 1 ponto na porta frontal
- Calhas de perfil de 483 mm (19") no lado frontal e traseiro, montadas no armário, galvanizadas
- O telhado está preparado para elemento de ventilação (entradas perfuradas)
