

DIGITUS Cabo de ligação FireWire 400

AK-420101-030-S
EAN 4016032304555

FireWire 400 connection cable, 6pin M/M, 3.0m, IEEE 1394-2008, bl

Use este cabo para ligar o seu computador portátil, a máquina de filmar ou outros dispositivos FireWire externos à porta FireWire do seu computador, por exemplo.

Uma ligação segura e fiável

Attributes

- Assortment: Firewire Cables
- AWG: 28/30

- Color cable: black
- Color connector: black
- Connector 1: IEEE 1394A, 6-pin, plug
- Connector 2: IEEE 1394A, 6-pin, plug
- Connector surface: nickel-plated
- Hoods: molded
- IEEE-Standard: 1394-2008
- Wire material: CU
- Length: 3 m
- Shielding: Double shielding

Safety notes

- When plugging and unplugging the cable, only grasp the plug and do not pull directly on the cable.
- Cables must not be kinked sharply or bent at tight angles, as this can damage the inner wires and lead to failures.
- Make sure that the cables are not under tensile load, as this can damage the insulation and the wires inside the cable.
- Ensure that cables are not laid in areas where they can be easily damaged mechanically.
- Cables should not be used in environments with extremely high or very low temperatures. Observe the product information on the maximum operating temperature of the cable
- Check cables regularly for visible damage such as cracks, kinks or signs of wear. Defective cables should be replaced immediately to avoid failures, short circuits or even electric shocks.
