EAN 4016032465119

Single Gas Spring Monitor Clamp Mount 15-32", 9 kg (max.), black

With the universal monitor mount from DIGITUS®, you can conveniently attach a monitor with dimensions between 15" - 32" to your desk using a clamp fixture. The quick release function also makes it easier for you to install the monitor. The VESA bracket is simply inserted into the corresponding mount and automatically snaps in. Without a great deal of effort, you can arrange the monitor according to your needs and pivot, incline or rotate the monitor, for instance for monitors in portrait mode. Support of the integrated gas spring facilitates height adjustment of the monitor. The monitor cables can be stored in an orderly fashion using the cable routing included in delivery. Do a good deed for yourself and your health by adjusting your monitor optimally for your body and your sitting position.

The desktop mount allows you to individually arrange monitors from 15" - 32". The monitors can be swiveled, inclined and rotated. The integrated gas spring facilitates height adjustment. With quick release function.
