

DIGITUS® Universal Full Motion TV Wall Bracket, 23" - 55"

DA-90377

EAN 4016032469971

Full-motion TV/Monitor Mount up to 107cm, 23"-55" 180° Swivel, max load 35kg, VESA max 400x400

With the full-motion TV wall bracket from DIGITUS®, installing a TV or monitor on the wall becomes child's play. All you have to do is fasten the bracket in the desired position and then hang the TV/monitor incl. VESA mount in the quick-release bracket. Fix the VESA mount in place with fastening screws and your TV/monitor will stay put in the position of your choice. You can swivel the wall bracket by 180° and adjust the tilt and rotation of the angle of view. The tilt can be fine-tuned from -8° to +5°, while the rotation can be fine-tuned from -5° to +5°. This allows you to adapt the display perfectly for the viewing angle of your choice. Use the cable management included in delivery to properly fix the connection cable in place and conceal it. The bracket is suitable for OLED, LED, LCD TVs and monitors as well as curved displays for VESA fastening points from 100 - 400 mm in various combinations. Use DIGITUS® wall brackets to adjust screens optimally to your needs.
